To,

Seelam Harushmitha

Email: harushmithaseelam810@gmail.com

Dear Harushmitha,

We are delighted to extend this offer of internship to you for the position of Software Development Engineer (SDE) Intern at Mahasana IT Solutions. Following a thorough evaluation of your academic achievements, technical skills, and performance during the selection process, we are confident that you will be a valuable addition to our engineering team.

Please review the details of this offer carefully. Should you have any questions or require clarification on any aspect of this letter, do not hesitate to contact our Human Resources department.

INTERNSHIP DETAILS

Intern Name	Seelam Harushmitha
Position	Software Development Engineer (SDE) Intern
Department	Product Engineering
Reporting Manager	Ravi Teja – Senior Software Development Engineer
Internship Duration	6 (Six) Months
Start Date	May 1, 2026
End Date	October 31, 2026
Work Location	Hyderabad
Employment Type	Full-Time Internship

COMPENSATION & BENEFITS

Monthly Stipend	INR 15,000 per month
Payment Schedule	Monthly, on the last working day of each month
Payment Mode	Bank Transfer (NEFT/Direct Deposit)
Travel Allowance	As per company policy / Not Applicable
Pre-Placement Offer	High performers may be considered for a full-time PPO

ROLES & RESPONSIBILITIES

As a Software Development Engineer Intern, your primary responsibilities will include, but are not limited to:

- Design, develop, and test software components as assigned by your team lead.
- Collaborate with cross-functional teams including Product, QA, and DevOps to deliver high-quality software solutions.
- Participate in code reviews, sprint planning, stand-ups, and retrospective meetings.
- Write clean, efficient, and well-documented code following company coding standards.
- Identify, debug, and resolve software defects and performance bottlenecks.
- Contribute to technical documentation, including design documents and API specifications.
- Learn and apply emerging technologies relevant to the team's tech stack.
- Present progress updates and demos to stakeholders at the end of each sprint.
- Troubleshoot and debug issues as they arise.
- Learn to design systems for high performance, reliability, and scalability.
- Any other roles and responsibilities may be assigned by the company from time to time depending on the business requirements.

WORKING HOURS & SCHEDULE

Working Days	Monday to Friday (5 days/week)
Working Hours	09:00 AM – 06:00 PM (with 1-hour lunch break)
Total Hours/Week	40 Hours per week
Leaves / Holidays	As per company holiday calendar

TERMS & CONDITIONS

- This internship is for a fixed period of six (6) months and will not automatically convert into full-time employment unless a Pre-Placement Offer (PPO) is explicitly extended in writing.
- The intern is expected to maintain strict confidentiality regarding all proprietary, technical, business, and client information accessed during the internship period, both during and after the tenure.
- All work products, code, designs, and inventions created during the internship shall be the sole intellectual property of Mahasana IT Solutions Pvt. Ltd.
- The intern must adhere to the company's Code of Conduct, IT Security Policy, and all other applicable company policies.
- Either party may terminate this internship with a written notice of seven (7) calendar days.
- The intern must not engage in any other employment or internship that conflicts with the interests of Mahasana IT Solutions Pvt. Ltd. during this period.
- Satisfactory performance will result in the issuance of an official Internship Completion Certificate and a LinkedIn recommendation from the reporting manager.
- This offer is conditional upon successful completion of background verification and submission of required documents listed in Section 7.

PERFORMANCE EVALUATION

Your performance will be evaluated on a mid-term (end of Month 3) and final basis (end of Month 6) by your Reporting Manager. Evaluations will cover the following dimensions:

Technical Proficiency & Code Quality	35%
Problem Solving & Analytical Thinking	25%
Collaboration & Communication	20%
Learning Agility & Initiative	20%

We are thrilled at the prospect of having you on our team. At Mahasana IT Solutions Pvt. Ltd., we are committed to building a culture that fosters learning, innovation, and excellence. We trust this internship will be a meaningful and enriching experience in your professional journey.

We look forward to welcoming you on May 1, 2026. Please do not hesitate to reach out to Shreya at info@mahasanaits.com for any questions.

Warm regards,

Sincerely,
For Mahasana IT Solutions Pvt. Ltd.
